

WELCOME TO OUR
February Newsletter

Welcome to February, BCO Family!

As we step into this new month, we're reminded that a season of growth and renewal is right around the corner. This means that we're gearing up to help you refresh and maintain your outdoor spaces, so they're ready to shine as the weather warms up.

In this edition, we're excited to showcase a stunning garden project featuring custom stonework, share helpful seasonal tips, and shine a light on one of our valuable employees.

Whether you're planning ahead for spring projects or looking for ways to keep your property in top shape, we've got you covered.

In this newsletter:

- Showcase Project
- Employee Spotlight
- Landscaping Tips
- Reminders

Thank you for being part of our community—we appreciate your trust in us to keep your outdoor spaces looking their best!

Let's make this season a great one, together!

Bradsher team!

Bible Verse of the Month:

“Above all, love each other deeply, because love covers over a multitude of sins.” -1 Peter 4:8

A Touch of Stone, A World of Beauty

This project was a perfect blend of natural beauty and expert craftsmanship—featuring a stunning garden design enhanced with custom stonework, creating a space that feels both elegant and inviting. We carefully designed and installed high-quality stone pathways, retaining walls, and decorative features including this gorgeous water fountain, to add structure and charm to the garden. The result? A timeless outdoor space that's not only visually appealing but also functional and built to last. Whether you're looking to enhance your property with stone patios, walkways, or garden borders, BCO is here to bring your vision to life.

Let's create something beautiful together!

EMPLOYEE SPOTLIGHT

2024 Q4 Level Up Award Winner: Matias Martinez

The Level Up Award is designed to recognize and celebrate employees who have shown exceptional growth, dedication, and improvement in their roles.

This recognition serves as a testament to their hard work, passion, and the positive impact they have on our team and the company as a whole.

Congratulations, Matias!

FEBRUARY LANDSCAPING TIPS

Refresh Your Mulch

A fresh layer of mulch doesn't just enhance your landscape's appearance—it also helps regulate soil temperature and retain moisture for your plants

Apply Pre-Emergent

Combat spring weeds before they sprout! Pre-emergent fertilizer creates a barrier to stop weed seeds from germinating, particularly crabgrass and other common culprits. Apply it before soil temperatures consistently reach 55°F.

Prune Dormant Perennials and Cut Back Liriope and Ornamental Grasses

February is ideal for cutting back dormant perennial growth. Remove old stems to make room for new growth, ensuring your perennials have the space and energy to flourish in the warmer months. It's also time to trim back liriope and ornamental grasses. Cut them to about 2-3 inches above the ground before new growth starts to appear. This helps your plants stay tidy and thrive as the season progresses.

As February unfolds, we want to thank you for trusting BCO with your lawn maintenance and enhancements needs. We're excited about the new opportunities this year brings and look forward to helping your outdoor spaces thrive.

Stay connected with us on social media for updates, tips, and a behind-the-scenes look at our work.

As always, feel free to reach out if you have any questions or if there's a project you'd like to discuss.

Here's to a fantastic February!

Thank you for reading!

A few things to remember

- Keep an eye out for February invoices, that have been sent through the new system.
- Don't forget to take advantage of our new customer portal. Your invoice will be accessible here, and it is designed to make managing your projects with us even easier.
