Bible Verse of the Month:

"Thanks be unto God for his unspeakable gift." - 2 Corinthians 9:15

A letter from the President:

Dear Bradsher Custom Outdoor family and valued clients,

As we welcome the month of November, I'm reminded of how quickly the year has moved and how much we have to be thankful for. This season is a time of reflection, a chance to pause, take a breath, and appreciate the journey we've taken together.

At Bradsher Custom Outdoor, we've had the privilege of creating spaces that bring people together, as well as places where families gather, laughter echoes, and memories are made. Each project has been more than just work; it's been a collaboration, a vision brought to life, and a reminder of why we love what we do.

November also brings with it a sense of anticipation. As the air turns brisk and the holidays approach, it's a time to look forward to finishing the year strong. It is time to celebrate the relationships we've built, and to embrace the opportunities ahead.

To our customers, partners, and team members: thank you. Your trust, hard work, and support continue to inspire us every day. Together, we've built more than just beautiful outdoor spaces. We have built a community.

Warm Regards,

Stoney Bradsher

The scene by the lake has been buzzing with activity this month as our team brings a complex outdoor project to life.

The concrete crew has taken the lead, forming and finishing crisp edges and smooth surfaces that define the structure of the design. The turf installation follows – a custom, contoured area that will soon become a highlight of the property. Behind the scenes, our irrigation team ensures that everything runs efficiently and reliably, setting up zones and testing systems for long-term performance.

Every step is a collaboration, from layout to execution, and each detail is handled with the care and precision Bradsher Custom Outdoor is known for.

Though the project isn't complete yet, the progress so far promises a remarkable finished space.

EMPLOYEE SPOTLIGHT

Juan Jr

This month, we're proud to shine the spotlight on Juan Jr. for his dedication and growth at Bradsher Custom Outdoor.

Juan began his journey on our Maintenance team, where he built a strong foundation of hands-on skills and reliability. He then expanded his expertise in Enhancements, contributing to high-quality improvements that made a lasting impact on our clients' outdoor spaces. Today, Juan is part of the Construction team – bringing the same hard work, positive attitude, and commitment to excellence that he's shown since day one. His growth reflects the kind of dedication and team spirit that makes our company strong.

Thank you, Juan Jr., for everything you do!

Clean Up Fallen Leaves and Debris

Rake and remove leaves, twigs, and other debris from your lawn and garden beds. A clean yard helps prevent mold, pests, and lawn damage during wet, cold weather.

Winterize Irrigation Systems

Drain hoses, shut off outdoor faucets, and blow out sprinkler systems to prevent frozen pipes and costly damage.
