Bible Verse of the Month:

"Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand." - Isaiah 41:10

A letter from the President:

Dear Valued Bradsher Custom Outdoor Clients,

As we move into April, the changing season brings renewed energy and excitement here at Bradsher Custom Outdoor. This time of year marks the start of a busy season for our team, and we always look forward to seeing the projects we've been planning begin to take shape across our communities. Watching these spaces come to life and knowing they will be enjoyed by families and friends for years to come is one of the most rewarding parts of what we do.

At Bradsher Custom Outdoor, our work goes beyond building outdoor features. We focus on creating spaces where you can gather with loved ones, relax, entertain, and make lasting memories. Every project reflects our commitment to craftsmanship, attention to detail, and the quality our clients expect and deserve.

We are grateful for the trust you place in our team and the opportunity to bring your outdoor visions to life. As the season continues, we look forward to helping even more homeowners transform their outdoor spaces into something truly special.

Thank you for being a part of the Bradsher Custom Outdoor family.

Warm Regards,

Stoney Bradsher

This month, we're highlighting Fescue Lawns. A popular choice for beautiful, durable turf in our region.

Fescue is known for its rich green color, shade tolerance, and ability to thrive in cooler seasons, making it a great option for maintaining a healthy lawn throughout much of the year. With proper care, it creates a lush, low-maintenance landscape that enhances any outdoor space.

From seeding and aeration to ongoing maintenance, our team is here to help you get the most out of your fescue lawn.

Stay tuned this month for tips, insights, and expert advice on keeping your lawn looking its best!

EMPLOYEE INTRODUCTION

We're excited to welcome Ben to the Bradsher Custom Outdoor team as our new Landscape Designer and Estimator.

Ben recently made the move to the area from Ontario, Canada and brings a strong background in landscape design. He graduated top of his class from Fanshawe College, earning an Advanced Diploma in Landscape Design.

With a focus on 3D design work, Ben is passionate about bringing your vision to life and helping clients see their outdoor spaces before they're built.

We're thrilled to have him on board. Ben will play a key role in creating beautiful, functional outdoor environments for our clients.

Check Irrigation Systems

Before warmer temperatures arrive, inspect irrigation systems to ensure everything is working properly. Fixing leaks or clogs now helps conserve water and keeps plants healthy.

Plan Outdoor Living Projects

Spring is the perfect time to plan upgrades like patios, fire pits, outdoor kitchens, or landscape lighting so you can enjoy your outdoor space all summer long.

APRIL **LANDSCAPING TIPS**

April is here, and with it comes the perfect time to take full advantage of your outdoor space. As the season picks up, our team at Bradsher Custom Outdoor is focused on bringing new projects to life and helping our clients make the most of spring.

Whether it's enhancing your landscape or building a custom outdoor living area, we're here to guide you every step of the way. We're grateful for the opportunity to work with you and be a part of your vision.

We're looking forward to a great month ahead and all that we'll accomplish together.
