

BRADSHER
CUSTOM OUTDOOR

**MONTHLY
NEWSLETTER**
June 2026

In June, outdoor spaces truly come to life, becoming the backdrop for everything from relaxing mornings to long summer evenings with family and friends. At Bradsher Custom Outdoor, we focus on creating environments that are not only visually appealing, but designed for how you live and enjoy your space every day.

Our team takes pride in delivering high-quality craftsmanship with a strong attention to detail, working closely with each client to bring their vision to reality. Whether it's building custom patios, installing outdoor kitchens, designing landscapes, maintaining lawns, or enhancing entire properties, every project is thoughtfully tailored to fit your needs and lifestyle.

Rooted in our commitment to meaningful work, strong client connections, and continued growth, we strive to make every step of the process smooth and enjoyable. From the first idea through ongoing care, our goal is to ensure your outdoor space continues to thrive and be enjoyed all summer long and beyond.

A Letter To Our Valued Clients

Stoney Bradsher, President

As we step into June, our team is fully in stride and focused on what this season is all about, bringing outdoor spaces to life for our clients. This time of year is always energizing for us, as we see projects take shape and families begin to enjoy the spaces they've envisioned.

Over the past several months, we've continued to build momentum as a company. With a strong foundation in place, our focus has been on growing with purpose, improving how we communicate, how we operate, and how we deliver on every project. These efforts allow us to better serve our clients while maintaining the quality and attention to detail that define our work.

What continues to guide us through this growth are our core values. We take pride in building spaces that are designed to last, cultivating meaningful relationships with our clients through trust and consistency, and opening doors for our team to grow and succeed. These principles are at the heart of every project we take on.

As we move further into the season, we remain committed to providing a seamless and enjoyable experience from start to finish. We're grateful for the opportunity to be part of your homes and your plans, and we look forward to continuing to create spaces where memories are made.

Thank you for your continued trust in Bradsher Custom Outdoor.

Warm Regards,

Stoney Bradsher

Employee Spotlight

At Bradsher Custom Outdoor, we know great work starts with great people. This month, we're proud to recognize Candido for the dedication and effort he brings to our Enhancement Crew every single day.

Candido is someone the team can always count on. He approaches each project with a positive attitude, strong work ethic, and a willingness to do whatever it takes to get the job done right. From detailed landscape enhancements to supporting fellow crew members in the field, his consistency and reliability never go unnoticed.

What truly stands out about Candido is the pride he takes in his work. He pays attention to the details, works hard to maintain quality standards, and helps create beautiful results for our clients. His teamwork, professionalism, and commitment to excellence make him a valuable part of the Bradsher Custom Outdoor family.

Thank you, Candido, for all your hard work and for representing our company so well. We appreciate everything you do and are grateful to have you on the team

Celebrating Our Graduates

We are proud to celebrate Ivan Arellano Garcia, the oldest son of our Operations Manager, Antonio Arellano, on his recent high school graduation! This fall, Ivan will begin his next chapter at UNC Greensboro.

Ivan's journey has been marked by incredible resilience. After being diagnosed with cancer at just eight years old, he faced years of treatments and challenges while remaining dedicated to his education and future goals. Through faith, determination, and hard work, he overcame obstacles and achieved this important milestone.

Please join us in congratulating Ivan and wishing him the very best as he begins his college journey at UNC Greensboro!

We would also like to congratulate Jaden Arellano, son of our Operations Manager, Antonio Arellano, on his 5th grade graduation!

Jaden recently celebrated this important milestone and will be heading to middle school this fall. We are proud of his accomplishment and excited to see all that he achieves in this next chapter.

Congratulations, Jaden, and best wishes for a successful and exciting middle school journey!

Please join us in congratulating Mayline, daughter of our crew member Cruz, on an incredible accomplishment! A Henderson native and graduate of Henderson Collegiate, Mayline was accepted into Wake Forest University, NC State, and UNC. She earned a full ride scholarship to UNC and has now graduated with her Bachelor's degree in Psychology!

Even more inspiring, Mayline is the first in her family to attend college; a milestone that reflects years of hard work, dedication, and perseverance. We are so proud of Mayline and all she has achieved, and we can't wait to see what the future holds for her. Congratulations, Mayline!

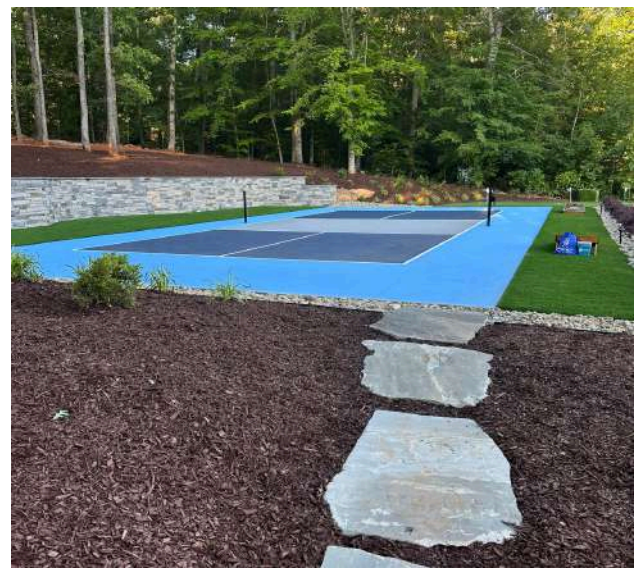

Sports Court Spotlight

Our team is currently making strong progress on multiple sports court projects, each one tailored to fit the space and needs of the client. From basketball to pickleball courts, we're focused on creating surfaces that not only perform well but also enhance the overall look of the property.

Every project begins with detailed site preparation, ensuring a solid foundation that supports long-term durability. From there, we move into precise grading, drainage, and surfacing, all designed to deliver a consistent, high-quality playing experience. Finishing touches like striping and layout are carefully executed to bring each court to life.

These courts are more than just recreational features; they create spaces for families, friends, and communities to gather, stay active, and enjoy the outdoors. We're excited to continue the momentum and look forward to showcasing the finished results soon.

June Landscaping Tips

Lawn Care

Warm-season grasses like Bermuda, Zoysia, and Centipede thrive in June, so mow regularly without removing more than one-third of the blade. Keep the mower height slightly higher, water deeply in the early morning, and apply a light fertilizer if needed.

Flowers & Beds

Remove spent blooms to keep flowers producing and looking fresh. Add a few inches of mulch to hold moisture and limit weeds, and keep an eye out for pests like aphids and beetles.

Heat Prep

During extreme heat, avoid heavy pruning or fertilizing to prevent added stress on plants. Focus on watering deeply in the early morning so moisture can be absorbed before the day heats up, and consider providing temporary shade for more sensitive plants if needed.

Weeds & Pests

Weeds grow fast in June, so stay on top of them with regular removal or spot treatments. Also watch for fungal issues, as humidity can lead to disease.

REMINDERS

- Don't forget that invoices are now sent out at the beginning of the month.
- You can pay your invoices directly through your Customer Portal.

If you haven't set one up yet, please email us at admin@bradsheroutdoor.com and we will get you set up!
